Important Information - Please Read

- Ad Valorem & Non Ad Valorem Assessments are due November 1st. Early payment **discounts** made before delinquency date are determined by postmark and shall be at the rate of 4% in November, 3% in December, 2% in January, 1% in February, and 0% in March. Taxes become delinquent April 1st. If the postmark indicates your payment was mailed on or after April 1st (delinquent date), the amount due is determined by the date your payment is **RECEIVED** in the office by close of business by the Tax Collector. A certificate will be sold by June 1st.
- If you have sold the property described on this bill, please send this bill to the new owners or return it to the Tax Collector's Office immediately. If you sold the tangible personal property, but were the owner on January 1st of the tax year, you are responsible for the taxes due. If tangible personal property taxes are not paid a collection warrant will be issued.
- **Partial Payments** per Florida Statute 197.374 for current year taxes are permitted under certain circumstances. Additional fees and loss of discount will apply. For more information including qualifications, please call (941) 743-1350
- Escrowed taxes are requested by an escrow company. This will be noted at the bottom of your notice, **THIS IS NOT A BILL-DO NOT PAY** (Your bill has been forwarded to your escrow agent). If your notice has this message and your taxes are escrowed, you do not need to do anything - the notice is your record. If your taxes are not escrowed through a mortgage company but your notice has that message, you can pay your taxes. If your taxes are escrowed but your notice does not indicate the words DO NOT PAY, you need to contact your mortgage company.
- Taxes become delinquent April 1st, with a 3% minimum mandatory charge, plus any additional fees. If you have the following statement on the front of your bill: ***Prior Year Taxes Due*** this indicates that this account has delinquent taxes to be paid.
