If you disagree with the assessed value as shown on your tax bill, you have the right to an informal assessment review by the Assessor-Recorder's Office. Visit [www.sf.gov/ASR](http://www.sf.gov/ASR) for more information. You also have the right to file an application for reduction in assessment for the following year with the Assessment Appeals Board. The filing period is July 2 to September 15. Visit [www.sfgov.org/aab](http://www.sfgov.org/aab) or call 415-554-6778 for more information. If an informal or formal assessment review is requested, relief from penalties shall apply only to the difference between the Assessor-Recorder's final determination of value and the value on the assessment roll for the fiscal year covered.

If a "**Tax-Defaulted**" message is shown on the front of this bill, it indicates that prior year taxes are unpaid. Visit our website for more information.

New owners and current owners with new construction may be required to pay a **supplemental tax bill**. Supplemental tax bills are issued in addition to this annual tax bill.

Submit payment for the exact amount?

Confirm that you have sufficient funds in your account? If your payment is not honored by the bank, the payment is null and void and a \$50.00 "Payment Failure Fee" will be charged in addition to any late payment penalties.

If the delinquent date falls on a Saturday, Sunday or legal holiday, no penalty is charged if payment is made by 5 PM on the next business day.

If any portion of the total amount due is unpaid after 5 PM on June 30, 2021 , it will be necessary to pay (a) delinquent penalties, (b) costs, (c) redemption penalties, and (d) a redemption fee. After 5 years of tax delinquency, the Tax Collector has the power to sell tax-defaulted property that is not redeemed.
