**NOTICE TO TAXPAYERS ENTITLED TO HOMESTEAD EXEMPTION:** Per Florida Statute, 197.252, any person who is entitled to claim homestead tax exemption may qualify for a deferred tax payment plan on homestead property. An application to determine eligibility is available in the county tax collector's office. The deadline to apply is March 31 following the year in which the taxes are assessed.

## DISCOUNTS

The amounts indicated on the front of this notice represent the total taxes and assessments due (if applicable) less discounts allowed for early payment. When the discount period ends on a weekend or holiday the discount is extended to the next business day. Taxes are due by March 31 of each year.

- 4% if paid in November
- 3% if paid in December
- 2% if paid in January
- 1% if paid in February

## DELINQUENT TAXES

Payment of delinquent taxes must be made in certified U.S. funds drawn on a U.S. bank. The amount due is determined by the date payment is received. Failure to pay delinquent taxes could result in the loss of your property. On April 1 the following charges are imposed by Florida law:

Real Estate: 3% minimum interest and advertising costs. A tax certificate sale is held on or before June 1 resulting in additional charges.

Tangible Personal Property: 18% interest annually, cost of advertising and fees. Tax warrants will be issued on all unpaid personal property taxes on or about June 1.

## PAYMENT PLANS

Pursuant to Florida Statute 197.222, you may elect to pay your property or tangible personal property taxes on a quarterly basis, through an installment plan, instead of paying the entire amount at once. Florida Statute also allows for taxpayers to make partial payments on current property taxes and current and delinquent tangible personal property taxes. An application and signature are required for payment plans.
