## **DELINQUENT TAXES**

Payment of delinquent taxes must be made in certified U.S. funds drawn on a U.S. bank. The amount due is determined by the date payment is received. Failure to pay delinquent taxes could result in the loss of your property. On April 1 the following charges are imposed by Florida law:

Real Estate: 3% minimum interest and advertising costs. A tax certificate sale is held on or before June 1 resulting in additional charges.

Tangible Personal Property: 18% interest annually, cost of advertising and fees. Tax warrants will be issued on all unpaid personal property taxes on or about June 1.

### **PAYMENT PLANS**

Pursuant to Florida Statute 197.222, you may elect to pay your property or tangible personal property taxes on a quarterly basis, through an installment plan, instead of paying the entire amount at once. Florida Statute also allows for taxpayers to make partial payments on current property taxes and current and delinquent tangible personal property taxes.
